

This Bulletin outlines some key issues for our Church Meeting on 19th July.  
If there are other items people wish to raise, please let Mark or Gordon know beforehand.

Three initiatives coming up. Further information will be given with opportunity to ask questions.

This new initiative for the Solihull Churches is being made by the Coptic Orthodox Church and beginning on 24th July will provide a cooked evening meal on a Friday in the Mayflower Room at Christ Church.

Volunteers for welcome, cooking, serving, washing up are invited.

This is our own initiative, offering welcome and support to those living with dementia (including carers). Jackie Justham and Maureen Butler are the folk to talk to if you would like to help.

We plan to be open each Monday morning from 7th September 10am-12noon initially in the Mayflower Room.

Volunteers are sought to help with refreshments, simply 'being there' to share conversation and to help with activities (music, games, memories etc.).

Story, craft and music around a theme - an event for all ages. Bring your family and neighbours.

Trixie Harman is masterminding initial sessions on 28th July and 25th August 10.30am - 12.30pm at Christ Church.

Practical support is also invited - activities and serving a pizza lunch.

### FINANCE

An overview of the current state of play will be presented. Chris Harman (treasurer) will not be present, so questions will need to be directed to him personally.

### PASTORAL CARE

As we are now better established as a single congregation it seems appropriate to create a new system for pastoral care that suits us and builds on the different schemes that have been operated in the past.

A list will be available at Church Meeting of those who we should actively offer pastoral care to - participating/worshipping and housebound/in-care members and friends. You are invited to help us make up any omissions. Members and friends who do not participate regularly in our church life are not on this list, as pastoral links with them are different.
