

Jesus says
"I am with you
always"

But I
rather like my
own space.

How's that meant
to work then?

Jesus says
"I am with you
always"

But I
rather like my
own space.

How's that meant
to work then?

Jesus says
"I am with you
always"

But I
rather like my
own space.

How's that meant
to work then?

Jesus says
"I am with you
always"

But I
rather like my
own space.

How's that meant
to work then?
